The Poe Monument.

Edgar Alian Poe is no longer to be without honor in his own country, if the expected success attends upon the plans of the Poe Memorial Association. Of this body former Lieutenant-Governor Joseph E. Willard is president, and Mr. Alien Potts and Mr. Charles Marshaff Graves—all well-known figures in Richies mond—are the incorporators. Through the efforts of these gentlemen, the city for a suitable memorial to America's first poet, provided that the association raises an equal amount. If the measure goes through, as it aimost certainly will, the city is also to provide an appropriate site.—Ridgeways.
